The image shows a dark-themed installer window for FL Studio 12. On the left, there is a carrot icon and the text "Demo & Full program installer" above "FL STUDIO 12". Below this is a "Product Description" section with text about the software's capabilities and links for "Lifetime free updates", "FL Studio demo limitations", and "System Requirements". On the right, under "Optional Offer", is the Bing logo and a laptop displaying the Bing homepage. A red circle highlights the word "Ad" in the top right corner. Below the laptop, there is a checkbox labeled "Make Bing my homepage" which is checked, with a red arrow pointing to it. Text above the checkbox describes the benefits of making Bing the homepage.
